# ABOUT US

After seeing a gap in the market, providing and giving a good service to communities, Nettrade holdings PTY(LTD) Construction Company was founded to do the opposite : Under promise and over deliver. Nettrade holdings was founded by Mr. C. Mzilem in August 2015. Nettrade supply and distribution is a 100% Black owned company.

Today, Nettrade holdings take on the role of main contractor for small to medium size projects and perform management services to coordinate specialist trades for industrial/commercial projects.

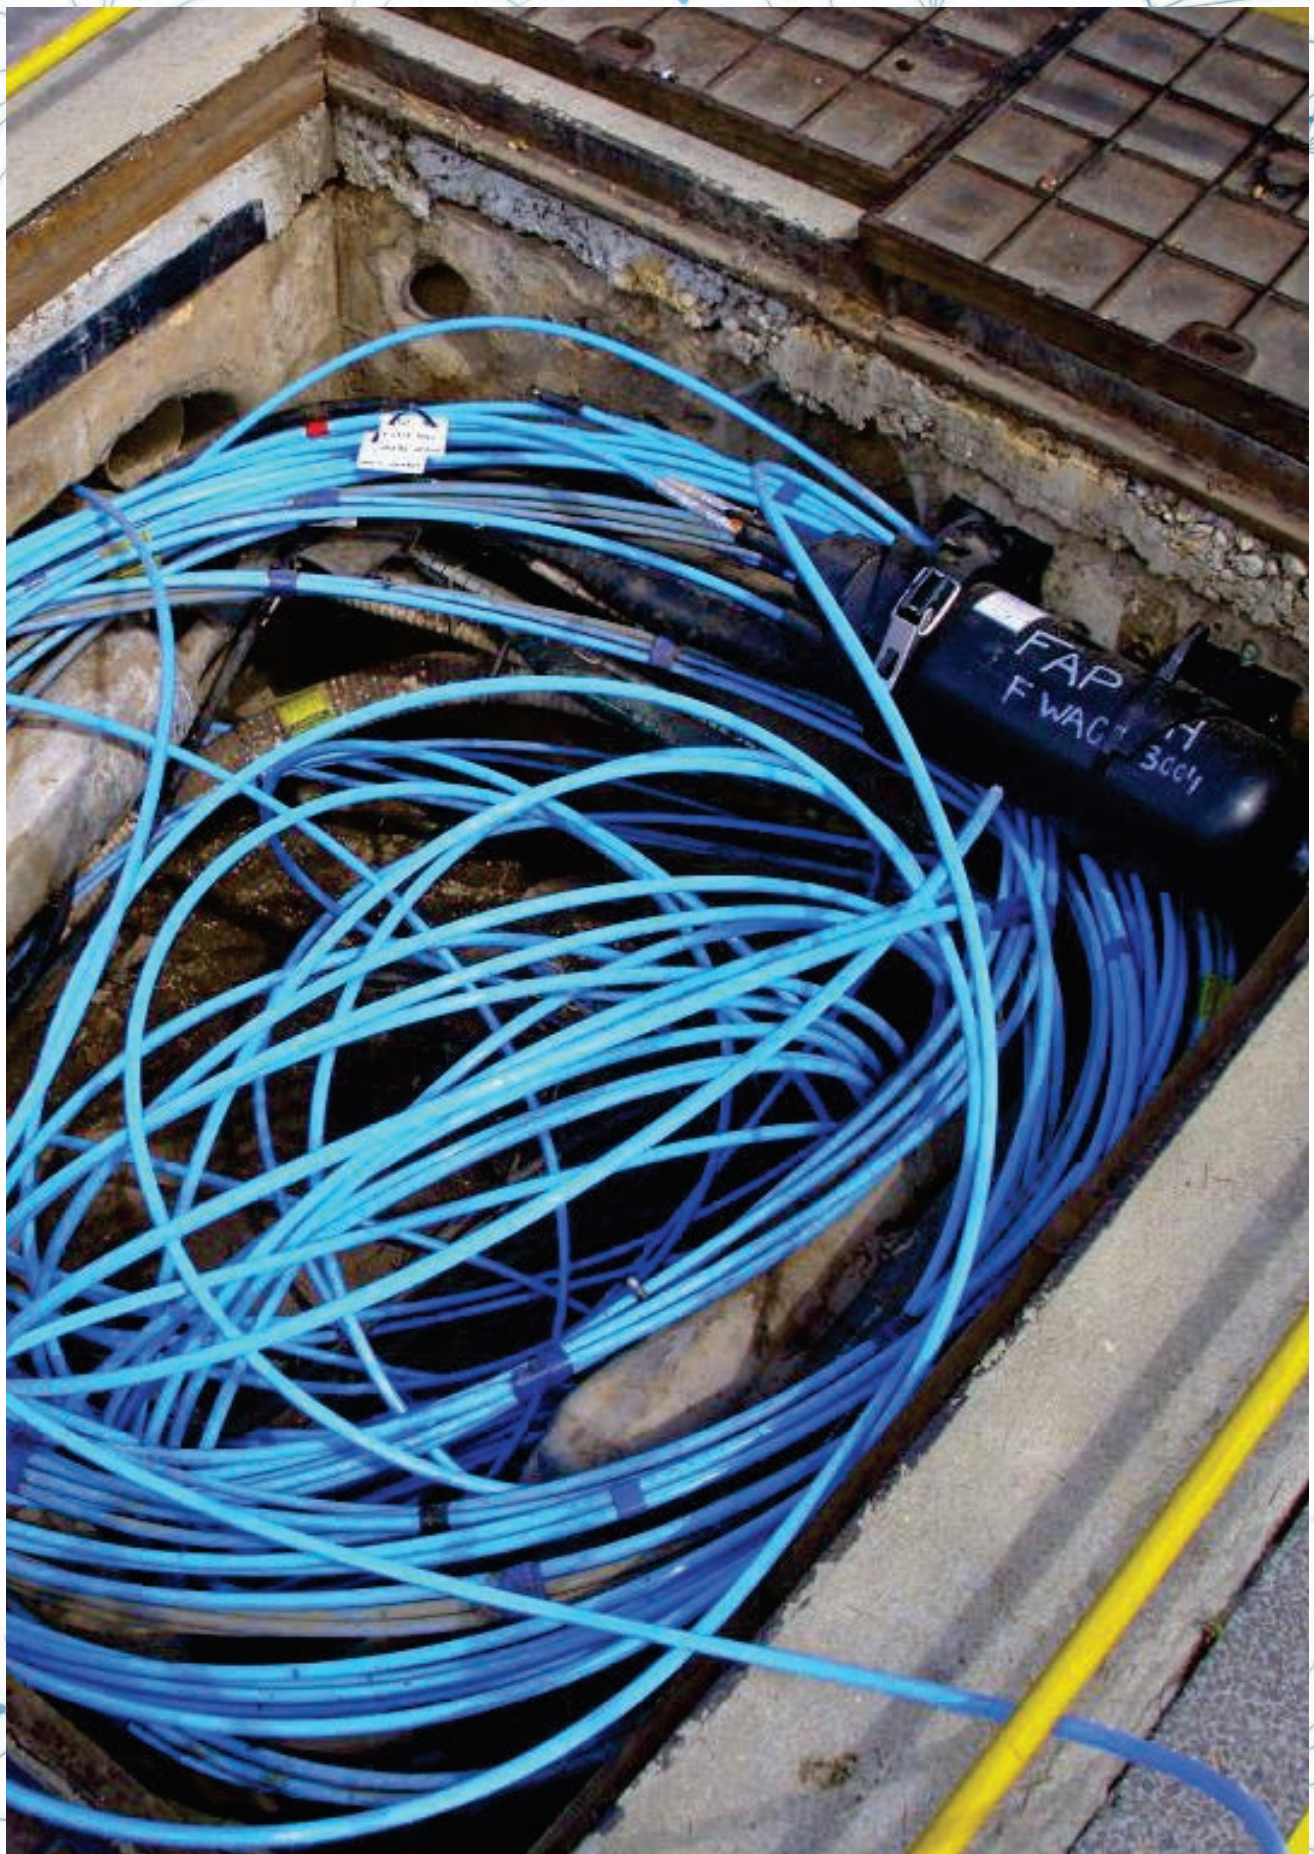

We also provide design inputs and engineering solutions as value added services to our clients. Our Objective is to provide our clients with an "I am assured" experience when we are chosen to execute their projects. Our emphasis on clear communication and follow through procedures ensures that client's objectives are top priority in the planning and execution of all process.

# OUR VISION

To be a responsible construction and projects building constructor delivering beyond expectation always.

# OUR VISION

The business is built on a foundation of excellence, integrity, responsibility and committed teamwork. We provide safe working conditions and deliver quality work within reasonable pricing and time frame. Nettrade Holdings PTY Ltd strives to explore and expand to international markets and beyond African continent and ultimately become a global leader in the Fibre installation business.
